

## Regulation

### MarR family transcriptional regulator in FW106-02\_bin.11

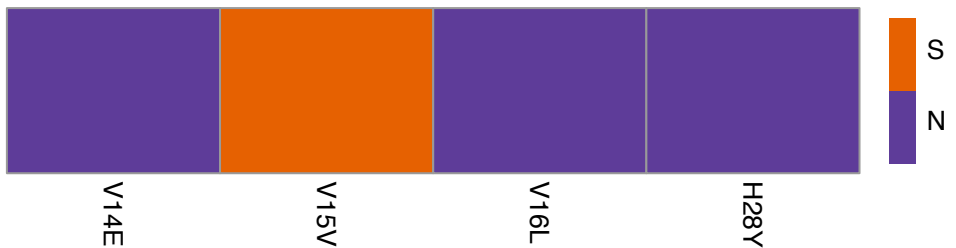

## Regulation

### OmpA family responding to environmental stress in FW106-02\_bin.11

## Regulation

### elongation factor Tu, regulating cell growth in FW106-10\_bin.24

## Regulation

### Blal/MecI/CopY family transcriptional regulator in FW106-10\_bin.24
